RIGHT: Step into it with J.V. style.

BELOW: Barbara High could really entertain!

BELOW LEFT: The Bears' Varsity put up a bitter struggle when they met Winters.

CENTER: They came off the griddle overdone, undercooked and once in a while, just right. But nevertheless, the pancakes were devoured by the team on homecoming morning.

BOTTOM RIGHT: Bum's the word.

## ...more flavor

LEFT: Brita displays originality on hat day.

BELOW: It takes two of them to get one of ours.

LOWER LEFT: Two bums, Michelle and Debbie, out of the woodwork.

CENTER RIGHT: Our pep squad shows talent in everything, including cooking original pancakes.

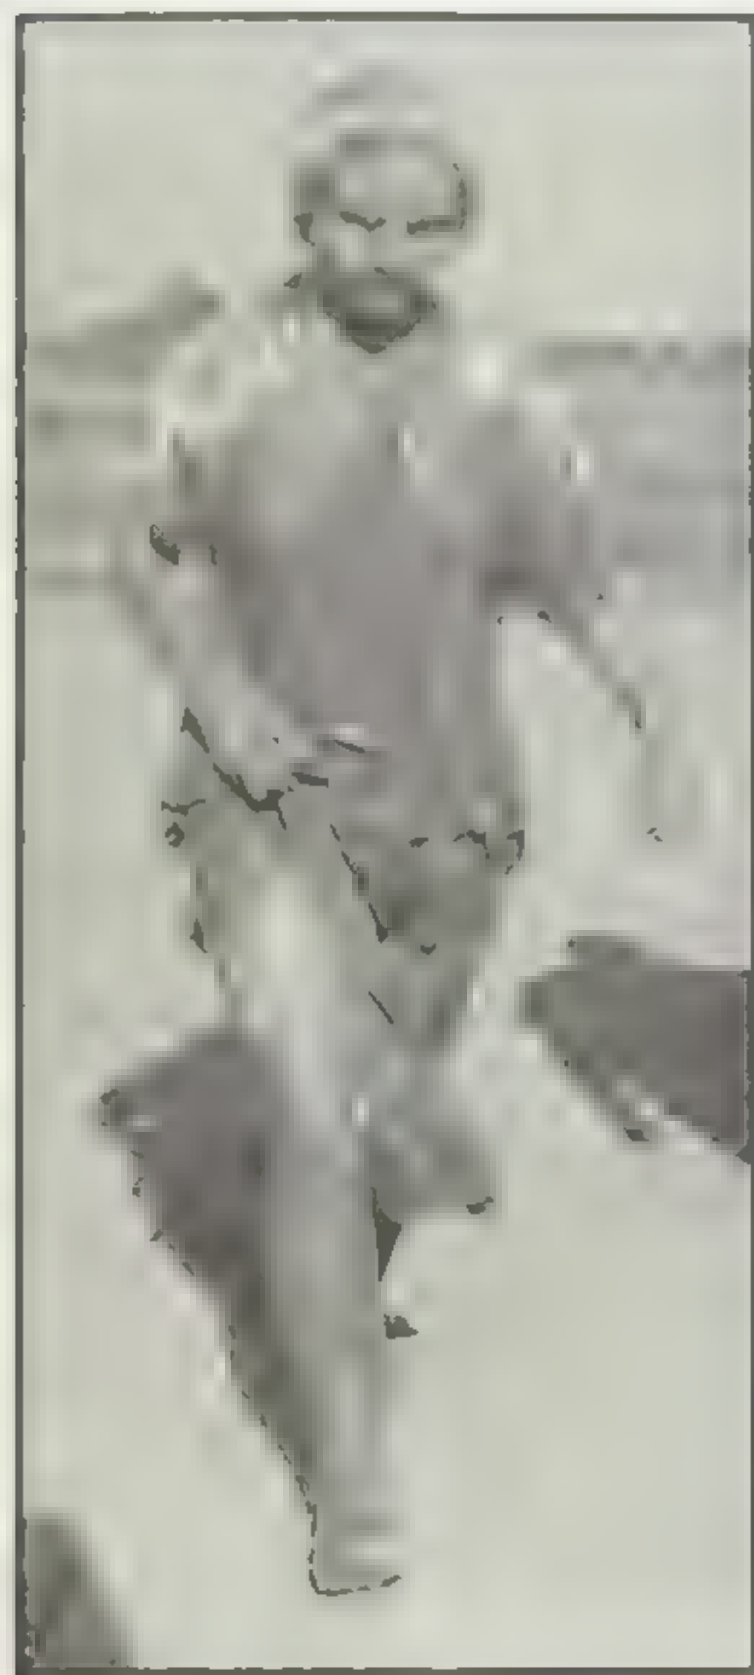

LOWER RIGHT: Tradition is upheld as Queen Shannon accepts a dozen red roses from Co-captain Jesse as her proud father, John Abele, looks on with Co-captain Ruben.

# Seniors

Seniors, Rick Duncan and Mary Abele reigned as 1974's Christmas King and Queen. Their noble court consisted of Freshmen, Kelly Ornbaum and Sue Strain; Sophomores, Andy Geyer (NOT PICTURED) and Terry Lomeli; and Juniors Richard Graeber and Violette Vawter. An enjoyable evening was spent dancing to the music of the Ed Blake Band.

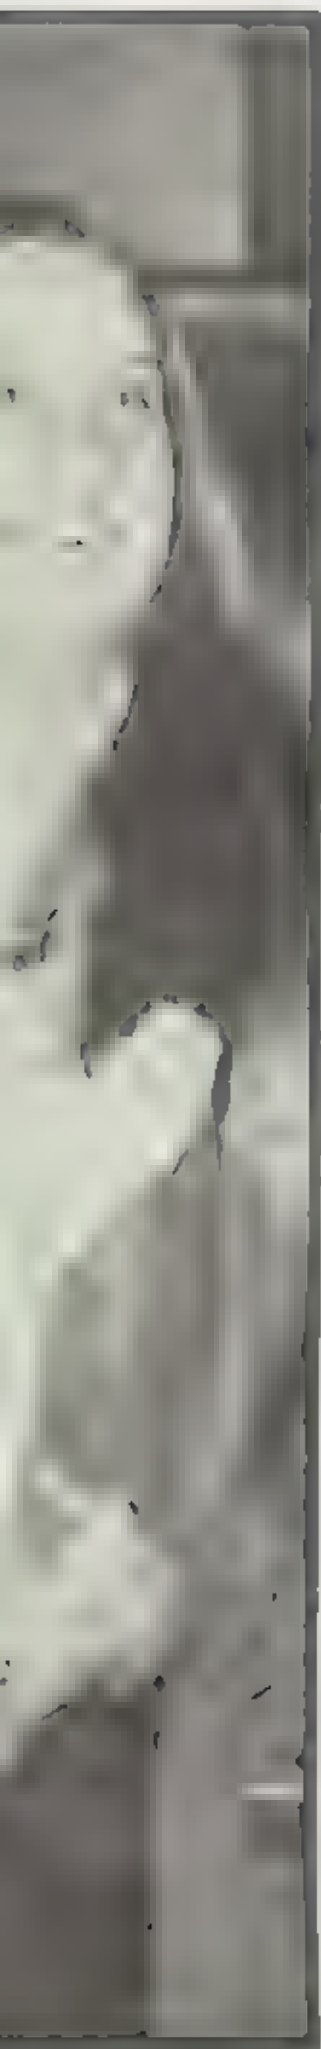

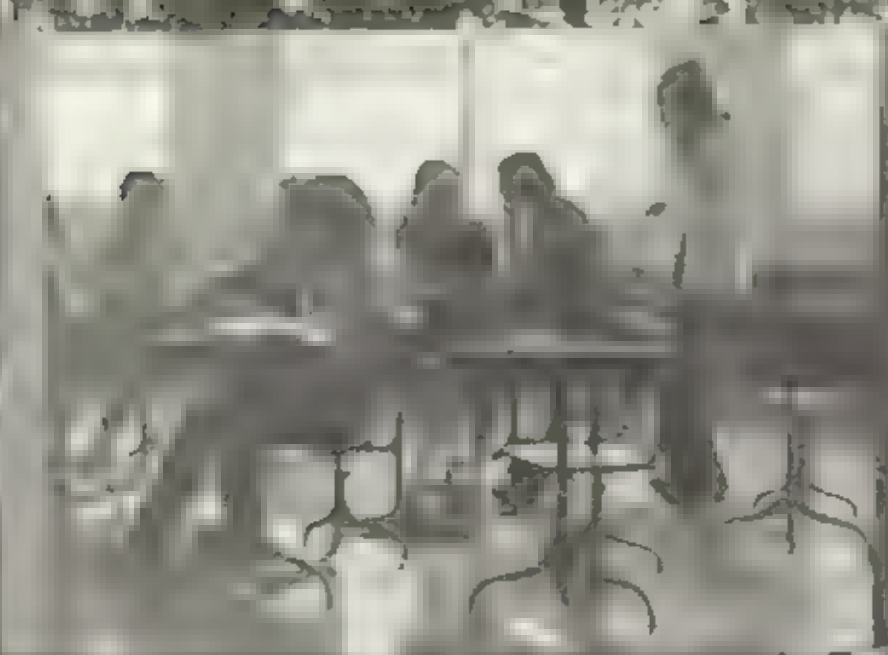

Don't look  
away from the  
world,  
give yourself  
to it.

Far away,  
there in the sunshine,  
are our highest aspirations.  
We may not reach them,  
but we can look up,  
and see their beauty,  
believe in them,  
and try to follow  
where they lead.

## Pierce All-Stars

One of Pierce's most prestigious awards is the DAR award. Dinah Potoski accepted this years honor on the basis of dependability, service, leadership, and patriotism.

The topic of the annual Lion's Club Speech contest was "America, where to now?" Competing in the event were Steve Haggard, Dinah Potoski who accepted the winners trophy, and Carol Kilgore.

Brita Abele received the honor of being chosen to represent Pierce at the 1975 Girl's State Convention. Julie Rominger was chosen as her alternate candidate.

The Pierce Bears enjoyed an 8 win 2 defeat season. The seasonal triumphs were the big upset win over Willows 10 to 7, and the shut-out win over Durham 13 to 0. The squad played exceptionally well during the season despite a rash of injuries that hurt their performance in key games.

Pierce did not win the Sacramento Valley League Championship but could claim the County Championship by virtue of their wins over Colusa and Williams, both teams soundly whipped.

The '74 varsity squad contributed to the reputation the Bears have of being a hard hitting, hustling ball club.

## They Charm the Spirit Right Out of Our Hearts!

ABOVE: Songleaders, Maria Kinz, Margie Geyer, Pat Sweet, and Alaina Martin, head, displayed their insuperable talent throughout the year.

# Pep Squad

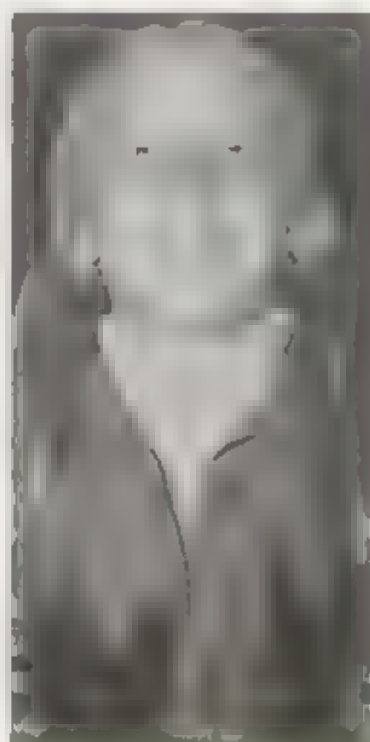

Chosen for the 1974-75 school year, the Pep Squad proved to be a very talented and energetic group. They started practicing early in the summer preparing for camp at Squaw Valley. All the practicing, sore muscles and Ben-Gay were worthwhile, for both song and cheerleaders came home with many ribbons and new and unique ideas. By the beginning of the football season the Pep Squad was as ready as the football players themselves! During the quieter parts of the games, the Pierce Mascot contributed greatly to crowd enthusiasm with her overwhelming spirit and crazy ideas. While walking down the halls of PHS you could see the pride displayed for the teams by the signs expressing hopes of victory.

Again this year, the cheer and songleaders completed in the annual Worsleys O' Rourke's contest in Williams. Although they didn't win first place their vivacity and talent was noted by all. Later in the year the cheerleaders placed second in a contest held at Sacramento State.

What member of the Pierce Student Body could honestly say that they didn't charm the spirit right out of our hearts!

ABOVE: FOREGROUND: Debbie Markure, STANDING: Julie Rominger, head; Lori Alexander, and TOP: Joanie Murphy, cheered the Bears on, no matter the odds.

# Piercer

## EDITOR'S MESSAGE

I hope we have portrayed those "well lived" memories of yesterday to those of you who merely look at the pictures or read it from cover to cover. Every member on the staff has given their time, whether selling ads, typing copy, planning layouts, or meeting the dreaded deadline.

The inspiration and never-ending enthusiasm of Karen Grimmer, our Assistant Editor, has helped tremendously to make this book a reality.

As Editor of the PIERCER I have cherished every page in this book and still, at other times, felt severe frustration. But I know that the knowledge and responsibilities I have gained will remain with me forever as I hope those happy memories of yesterday will with you. The PIERCER in it's brief course, holds all the realities and truths of our existence and the splendor of our action.

Sincerely,  
Shannon Abele

Janet and Lillian were only two of our cheery saleswomen. You'll probably never taste scrumptious home-made doughnuts and hot apple turnovers again, as those sold at Homecoming by the industrious Piercer Staff.

The Mass Media Class had a variety of projects, something to please almost everyone. This year the Oracle Staff had a new money making device-The Mass Media Movie. Throughout the year we have scheduled top movies once a month. The money made from these movies was used for a field trip to television and radio stations in the spring. In addition we published a monthly paper and gave a film show in March which the class wrote, produced, and filmed themselves.

These are members of CSF, they're really not so distinctive. 'Reading, 'ritin, and 'rithmetic, just come naturally instinctive. They're just the same as you 'n me, they don't like to study. They don't like to take that test, not no more than anybody! You can find them everywhere, rallys, games, and dances, playing pranks and causing trouble, Boy, they take their chances! Now if you use your time with care and take those notes in class, you can be a member too, above the plain brained mass.

On December 20, we put on the annual Christmas dance, themed "Seasons Greetings." A merry night was spent dancing to the music of the Ed Blake Band. In the spring came the Mother's Tea put on by the united efforts of Girls League, G.A.A. and F.H.A. We were mainly responsible for the clever decorations and unique entertainment.

With our many activities Girls League proved to have a very successful year.

Never before in the history of Pierce High School has there been such a large number of girls participating in the Girls Athletic Association. With 80% of the girls in the student body belonging to GAA it was necessary to find some source of income to purchase awards. Some of the fund raising projects that GAA participated in included a car wash, selling stadium seats, collecting newspapers, holding a cake raffle and presenting a childrens movie once a month for the elementary students. The intermural sports in which all members of GAA participated in throughout the year were: speedball, volleyball, basketball, tennis, softball and swimming. Besides sports, GAA also took its annual trip, along with Girls League and home economics to San Francisco for a day of amusement which included shopping and attending a play. Girls are becoming more competitive in sports and needless to say Pierce was not to be left out. Through the years Pierce High School has built an unbeaten record in volleyball and basketball. The fact that Pierce is becoming well known is apparent because for the first time we were invited to compete in a basketball tournament in Hamilton City. Other sports in which the Pierce girls have been competitive were track and tennis.

# Future Homemakers of America

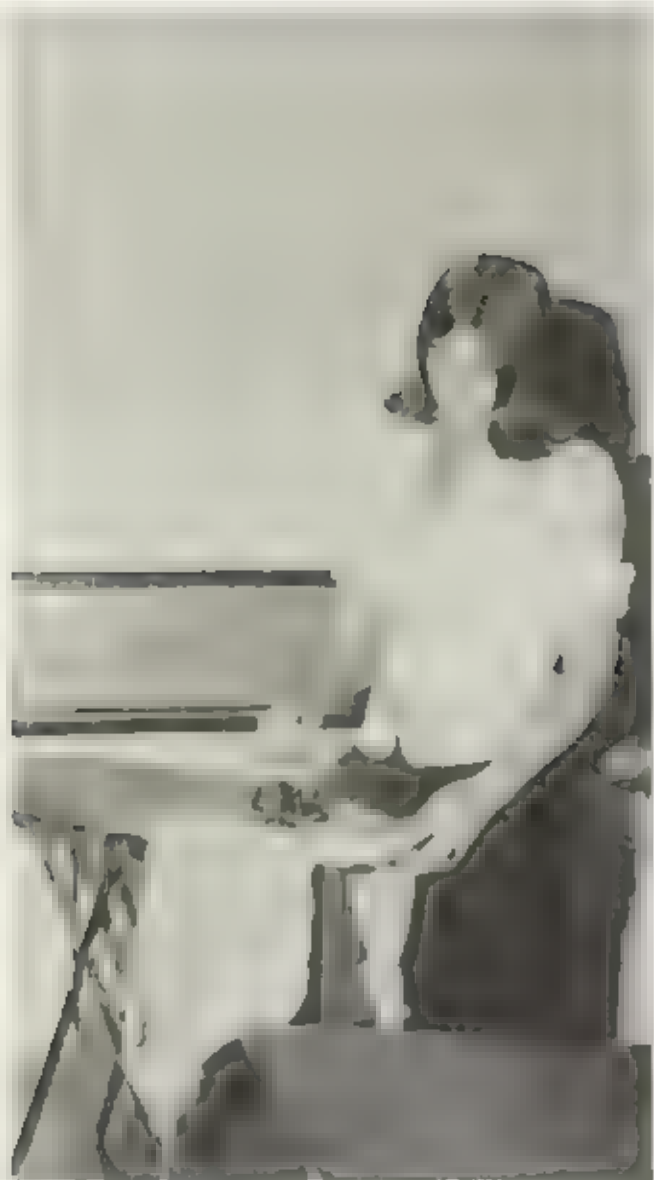

Our goal was to earn \$500.00 so we could attend the State Conference in San Diego in mid-April. A pumpkin, full of candy was raffled off at Halloween and pennies were sewn for G.A.A. In February our Valegrams were sold throughout the school; wasn't it fun to get a Valegram from a secret admirer? The F.H.A. joined G.A.A. and Girls' League on a trip to San Francisco. An enjoyable year was spent by all future homemakers.

# Young Actors Klub

Early in the year YAK was strong and the theatre blood ran thick in our veins. In mid-December a meeting was held in the library to choose a play. During the twenty minute meeting, voices droned in discussion, rose in dissension, or remained quiet listening to opinions. PYGMALION and SOUND OF MUSIC were shot down, and the decision to do a mystery rose out of the dust.

Tryouts began February 19, and practice began soon after. The weeks ticked off and the anticipation rose. The stage was transformed into a small room of an English manor. Rehearsals merged into dress rehearsals and, finally, we reached the dreaded and longed for day, April 18. Under the stage in the cement block dressing rooms, the old steam heaters clanked and nervous voices echoed against the walls. As the time for drawing the curtains neared, and the actors took their places at the edges of the stage, we could hear the audience drumming fingers on the carved seats and talking with their friends; Impatient for our production to begin. The curtains were slowly pulled open and the house lights blinked off. Quietness enveloped the massive auditorium.

Our performance was successful and passed as a blur. While the last of the people filed out and we gathered up the common everyday clothes of our own character, we thought of the fantastic performance we had given and, even then, anticipated what new character we might be transformed into in the coming year.

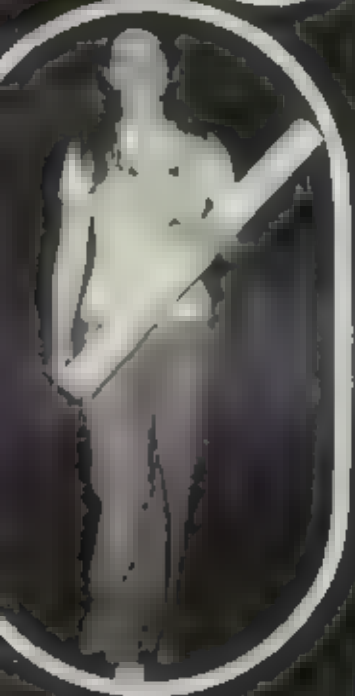

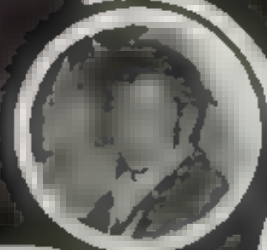

On the scene of the crime were: Lori Alexander, President; Carole Kilgore, Vice-president; Laura Charter, Treasurer; Miss Gayle Kalfsbeek, Advisor; and Brita Abele, Secretary.

Gifted Thespians included, BACK ROW: Becky Rumsey, Terry Lomeli, Tammi Thayer, Michelle Doherty, Mike Burnett, Todd Granicher, Ruthellen Griffin, Lillian Olivares, Susie Phelan, Brita Abele. SECOND ROW: Laura Charter, Lori Alexander, Roberta Pingrey, Lisa Alexander, Penny Myers, Maryellen Garrido, Cheryl Imler, Diana Stanley. THIRD ROW: Debbie Kleeman, Carole Kilgore, Tracy Phelan, Sherry Bubigkeit, Miss Gayle Kalfsbeek, Advisor; Linda Rominger, Laurie Bonnett, Paula Phillips, and Cynthia Starnater.

# Administration

UPPER LEFT: Trucking down the hall is our double-duty man, principal and district superintendent, Mr. William Wilson. His job left him few moments of peace.

UPPER AND BELOW RIGHT: Capable men on the Board of Trustees were Victor McCullough Jr. of the Dunnigan area, John Abele representing the College City people, Arlan Moore, President, of Grimes, Doug Mathews, representing Arbuckle, and Bob Rominger representing the Johns area.

ABOVE: District secretary Mrs. Mary Lou Howe, played a very important role at Pierce.

ABOVE RIGHT: Besides being keeper of the "bread," Secretary Mrs. Geyer had the many times nerve-racking job of appeasing the students.

OPPOSITE: Mrs. Bell was another of Mr. Wilson's secretaries. Although she was a new comer to Pierce this year she caught on quickly with our system.

**ABOVE RIGHT and CENTER RIGHT:** Our mad scientists were Mr. Larry Turbovsky and Mr. Bob Walker. Mr. Turbovsky taught chemistry, algebra II, advanced math, and physics while Mr. Walker instructed physical science, biology, algebra I, and life science.

**ABOVE:** Besides performing counseling duties, Mr. Mike Hamilton taught general business and psychology. The day before Thanksgiving and Christmas vacation he could be seen passing out scrumptious homemade cookies to all the good little boys and girls, (faculty included, of course).

**CENTER:** World history, pre-algebra, and geometry were subjects taught by Miss Carol Coonrod. Evidently this was one of her quieter moments.

UPPER LEFT: Home ec. I, II, III, and art were various subjects taught by Miss Mary Ellis. The spicy aromas coming from her classroom were often an overpowering temptation to passing students.

UPPER RIGHT: Mr. Tim Brumley taught U.S. history and boy's P.E.

CENTER LEFT: As well as teaching U.S. government, Mr. Gregg LeMaster served as Vice-Principal. One of his chores was to discipline the overly ornery pupils. Remember those detentions after school; couldn't even bring goodies to munch on!

ABOVE: Our ever enthusiastic foreign language teacher was Mr. Frank Espinal. He taught beginning Spanish and Spanish I, II, III, and IV.

FAR LEFT: Always ready to lend a helpful book was our librarian, Miss Gayle Kalfsbeek. Hers was the arduous task of keeping the library quiet. She also taught reading.
